Complaints (other than parents) Policy

Date: October 2020
Review Cycle: Annual
Next Review Date: October 2021

Quorn Hall School is owned and operated by Cavendish Education.

This Policy is one of a series of School Policies that, taken together, are designed to form a comprehensive statement of the School's aspiration to provide an outstanding education for each and every one of its students and of the mechanisms and procedures in place to achieve this. Accordingly, this Policy should be read alongside all of these Policies in order to get the full picture. In particular it should be read in conjunction with the Equality Policy, the Health and Safety Policy and the Safeguarding Children and Child Protection Policy.

All of these Policies have been written, not simply to meet statutory and other requirements, but to evidence the work that the whole School is undertaking to ensure the implementation of its core values.

In all the School's Policies, unless the specific context requires otherwise, the word "parent" is used in terms of Section 576 of the Education Act 1996, which states that a 'parent', in relation to a child or young person, includes any person who is not a parent (from which can be inferred 'biological parent') but who has parental responsibility, or who has care of the child. [Department for Education guidance](#) considers a 'parent' to include:

all biological parents, whether they are married or not

any person who, although not a biological parent, has parental responsibility for a child or young person - this could be an adoptive parent, a step-parent, guardian or other relative

any person who, although not a biological parent and does not have parental responsibility, has care of a child or young person. This may include carers within a specialist residential setting.

A person typically has care of a child or young person if they are the person with whom the child lives, either full or part time and who looks after the child, irrespective of what their biological or legal relationship is with the child.

The School employs the services of the following consulting companies to ensure regulatory compliance and the implementation of best practice:

- Peninsula HROnline
- Peninsula BusinessSafe (Health and Safety)
- Atlantic Data (DBS)
- Educare (online CPD)

1 Introduction

Quorn Hall School ('the School') is proud of the quality of teaching and pastoral care provided to its students and is committed to meeting the needs of its various stakeholders so that any issues or queries can be dealt with positively and proactively.

However, if an individual who is not covered by the School's Parental Complaints Policy has a concern they wish to complain about, they can expect it to be treated by the School in accordance with the following procedure.

It should be noted that unlike the Parental Complaints Policy, which is based on the School's obligations under the [The Education \(Independent Schools Standards\) Regulations](#), there is not a requirement for the School to have a procedure in place to hear non-parental complaints. However, due to the School's intention to work closely and positively with all stakeholders, and to use complaints as a source of feedback that can help it to continuously improve, these discretionary procedures exist.

This policy is available on the School website and can be made available in hardcopy upon request to the Office Manager. It can also be made available in larger print or in a more accessible format if required. If someone needs assistance raising their concern or complaint at any Stage in the procedure, for example because of a disability, they should contact the Office Manager who will be happy to make appropriate practicable arrangements.

The procedures set out below may be adapted on occasion as appropriate to meet the policy aims and the circumstances of each case.

2 Aim and Outline Summary

The aim of the School's Complaints (Other Than Parents) Policy is provide a structure to ensure that any other-than-parental complaint is managed appropriately and effectively.

We are always interested to receive feedback and hear any concerns, and we do our best to respond constructively and in a timely way. Often, by receiving and responding to feedback, there is an opportunity to reflect, learn and make adjustments.

Potential complainants are assured that the School aims to treat all complaints seriously, sensitively and confidentially.

3 Confidentiality

As appropriate, all participants (including parents and staff members) utilising the School's Complaints (Other Than Parents) Policy must ensure that correspondence, statements and records relating to individuals are kept confidential except where the Secretary of State or a body conducting an inspection under section 109 of the Education and Skills Act 2008 requests access to them.

4 Scope

The provisions and entitlements of the School's Complaints (Other Than Parents) Policy apply to relevant individuals who may wish to make a complaint and who are not covered by the Parental Complaints Policy.

Please note that:

- parents should refer to the Parental Complaints Policy and are not able to have their concerns considered via the Non-Parental Complaints Policy
- for regulatory and confidentiality reasons, other than in relevant safeguarding circumstances, the School does not process complaints made by someone on behalf of another parent or another parent's child apart from themselves and their child
- students regardless of their age should address any complaint to their class teacher, Pastoral Support Team or to the Headteacher
- a complaint from a staff member will usually be dealt with by the School's Grievance Policy

Given the importance placed upon safeguarding in our School, complaints about some safeguarding / child protection matters will be primarily handled under the School's child protection and safeguarding policy and in accordance with relevant statutory guidance.

5 Offering possible resolution to complaints

Individuals using this Complaints (Other Than Parents) Policy are encouraged to share what actions they feel might resolve the problem at any Stage, which may assist the School in making its response.

The School seeks to keep in mind ways in which a complaint can be appropriately resolved. It might be sufficient to acknowledge that the complaint is valid in whole or in part, and it may be appropriate to offer one or more of the following:

- an apology
- an explanation
- an admission that something could have been handled differently or better
- an assurance (where possible) that the event complained of will not recur, with an explanation of the steps that have been taken to reasonably ensure that it will not happen again
- an undertaking to review School policies or practice in light of the complaint
- a dismissal of the complaint in whole or in part, with an explanation why that dismissal is appropriate

An admission that the School could have handled a situation better is not the same as an admission of negligence.

6 Managing Other-Than-Parental Complaints

This Policy contains a complaints procedure to deal with complaints from individuals who are not parents of pupils.

It provides for three Stages: informal, formal and a governance review..

An individual (who is not a parent) with a complaint is asked to follow the three Stages of the procedure in sequence.

6a STAGE 1 – Informal Resolution

It is hoped that most complaints will be resolved quickly and informally.

Initiating a Stage 1 complaint: If an individual wishes to make a complaint they should normally contact the School. In most cases the matter will be resolved at this point to the individuals' satisfaction. Individuals may make the complaint through a telephone call, email, in person or by letter.

The School will nominate an individual to consider the Stage 1 complaint and to respond to the complainant within **10 working days** (or during the school holidays within **15 working days**).

The nominated member of staff will make notes of all complaints and the dates on which they were received and concluded at Stage 1.

All identified Stage 1 complaints are logged centrally by the School.

In the event that the Stage 1 process does not reach a satisfactory resolution, then the complainant will be advised to proceed to Stage 2 below.

6b STAGE 2 – Formal Resolution

A complaint will usually progress to the formal stage (Stage 2) only after first being considered at the preliminary stage (Stage 1) and only then if the complainant explicitly intends to escalate a matter to the formal stage.

Initiating a Stage 2 complaint: If the complaint cannot be resolved on an informal basis at Stage 1, then the complainant should put their complaint in writing to the Headteacher, giving details of their complaint (such as dates / times of events, relevant documentation etc). The Headteacher will acknowledge receipt of the complaint **within 5 working days** (or as soon as reasonably practicable during school holidays).

The Headteacher will decide, after due consideration, the appropriate course of action to take. In most cases they or a member of the team will meet with the parents concerned **within 10 calendar days** of receiving the complaint, to discuss the matter.

If possible, a resolution will be reached at this stage. If further investigation is required, the Headteacher will normally delegate that responsibility to a member of their team; that person will report back to the Headteacher, without themselves making a judgement on the complaint.

Once the Headteacher is satisfied that so far as practicable all of the relevant facts have been established they will review all relevant material, form a judgement and then will confirm the outcome of the Stage 2 to the complainant in writing, normally **within 20 working days**. If a longer period is required for the Stage 2 process, they will write to the parent(s) to explain the reasons.

The team will keep written records of all meetings and interviews held in relation to the complaint.

If the complainant is not satisfied with the outcome at the end of the Stage 2 process, they should proceed to Stage 3 by contacting the governance body **within 5 calendar days** of their receipt of the formal completion of the Stage 2 process.

6c STAGE 3 – Formal Resolution

If individuals seek to invoke Stage 3 if they are not satisfied with the Stage 2 outcome, they are referred to a member of the Governance Board.

A member of the governance team will be appointed to consider the complaint.

Contrary to the Parental Complaints Policy, there will not be a Panel, an independent representative or a hearing as part of the Stage 3 procedure for non-parental complaints.

Once appointed, the governance colleague considering the complaint will review steps taken thus far by the school, will engage with those who have managed the process at Stage 1 and Stage 2 and will consider whether the School has acted reasonably and considered the complaint appropriately.

If required, further investigation and fact finding will take place in order to ensure the Stage 3 review has been sufficiently robust.

In the event of an individual stating their intention to initiate or having initiated legal proceedings with regard to the complaint, the governance colleague will usually still go ahead in accordance with this Policy but reserves the right to delay their response or terminate the process, if appropriate.

The complainant will receive the outcome of the Stage 3 review in writing **within 21 working days**.

In all cases of a complaint reaching Stage 3, the School will take the opportunity, outside of the Complaints Procedure, formally to look beyond the immediate complaint to ensure that it does not represent a deeper problem that needs to be remediated.

6d What an individual should do if dissatisfied with the Stage 3 outcome

The conclusion of a Stage 3 complaint is the final step in the School's procedures.

7 Potential impacts on timeframes

If other bodies are investigating aspects of the complaint, for example the police, local authority safeguarding teams or Tribunals, this may impact on the School's ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations. Where any such delay can be avoided, it will be.

8 Exceptions to procedure

Where there is a particularly serious complaint that needs to be raised, then it is possible for an individual to take it directly to the Headteacher, circumventing Stage 1.

A particularly serious complaint in this context might include matters of Child Protection, personal safety, confidential health or family issues or when there is a

significant allegation made against a member of staff. In such instances, it may be appropriate / necessary to initiate other(s) of the School's policies and procedures.

9 A complaint against the Headteacher

A complaint against the Headteacher should be made via info@cavendisheducation.com to the governance team at Cavendish Education. The Group Managing Director will nominate an individual, who will normally manage it as a Stage 2 Complaint in the first instance, giving the complainant the opportunity to progress to Stage 3 thereafter should they so decide. In the latter instance, the governance colleague who dealt with the Stage 2 process will not be involved in the Stage 3 process.

A significant allegation against the Headteacher will be managed directly either as a Stage 3 Complaint (without going through Stage 2) or separately under the terms of the School's Safeguarding Policy.

10 Withdrawing a complaint

Individuals are entitled to halt their Complaint at any point in the procedure if they so wish; if so, they are asked to confirm this decision in writing.
